

How to take photos and rename them, take credit cards, ship art to customers, pay sales tax, and where to send donations for Holiday Art show

We will hold a Help Session on Tuesday Jan.5, 3 pm. We will record this and have it available on our private Facebook page: "Guild of Berkshire Artists Members" under Media, Videos or Photos. You can refer to it again when you sell a piece of work. How to rename a jpg, take credit cards, take photos, ship your work and pay sales tax. If you have a specific question please email BerkshireArtShow@gmail.com BEFORE Jan.5

How to take photos of your work: Make sure the work is parallel with your camera. Easiest way is to put your two dimensional work on floor flat and use an iPhone or other smart phone to take the photo about 2-3 feet away. iPads are very hard to hold straight. Make sure that there is NO SHADOW on the work. Omit your frame or mat or excess from your floor from the photo. Take many photos. Then pick the best photo. Click "Edit" and select the edit tool for framing (looks like a frame) and move the frame around to eliminate the excess floor or frame on the work. Rename your photo with your last name, then your first name and the name of your work. Then forward your photo with the filled out Call for Art form to BerkshireArtShow@gmail.com by noon Wed. Jan. 13. On Tuesday Jan. 12 at 3pm, Janet Pumphrey will give a seminar on Snapseed, a free app for Apple or generic smart phones. Download the app right away and try it out to edit your photo without losing quality of your photo.

Take payment by credit card: You can do a lot with Square: accept credit cards, power your business with the free point-of-sale app, get real-time sales reports, and much more. All this with no sign-up costs or long-term contracts. And they help you keep track of your sales tax! Many people regularly used Square before the pandemic. You can insure that you are getting paid for your art and not wait weeks for a check! Plus, your first \$1,000 in credit card transactions within the first six months are processed free when you sign up with our link:

Shipping and packing help: We expect most sales will be local. But you can use local shipping and packing stores to help. Keith Emerling found that, if you gave the weight and dimensions (HWD) and where the package was going to, The UPS Store #655 at 180 Elm St in Pittsfield 01201 across from Flynn's Pharmacy and Berkshire bank could give you a quick estimate of cost. Janna has contacted them and they will help us. You do NOT have to frame work! It will be easier to ship and safer for you during the pandemic and the buyer can pick out their own frame. Just SAY Unframed, unmatted on the form or if a photo, "digital only." For the local UPS store in Pittsfield: 413)448-2568 Fax:(413)448-2563 Email:store0655@theupsstore.com You can use United States Postal offices also but they may not help you pack.

Help to pay sales tax in your state. for MA 6.25% ; NY: 4% plus local; CT: 6.35%, RI: 7%, VT: 6%.

Google "How to pay sales tax in" put in the name of your state.
